This summer, we are having extensive work to repair our school hall floor. The work is estimated to take 6 weeks. To ensure that school can reopen as planned on Tuesday 6th September, Governors have decided to close the school to children on Friday 15th July (3pm, KS1 and 3:15pm, KS2) instead of Tuesday 19th July. Teachers will be in school on Monday 18th and Tuesday 19th July to prepare for the new school year.

Parents are invited to come along.

10th June (9:10am) in school	Year 4 Assembly
1st July (9:10am) in school	Year 2 Assembly
15th July (9:10am) in school	Year 6 Leaver's Assembly

We do lots of exciting things in school.
Please don't forget to check our school

SCHOOL PARKING

We appreciate that parking can be difficult around school at the beginning and end of the school day, but please be aware for the safety of the children the school car park is for staff only. The land directly outside the school gates is not owned by the school, however parents can use both church car parks. Please be mindful of children around parked cars and be courteous of the residents of Mill Road and surrounding areas.

Under no circumstances should any car be parked in the staff car park.

DINNER MONEY INCREASE

From September 2016, school dinners will increase to £2 per day (£10 per week). Up to now, meals are still free for Reception Class, Year 1 and Year 2.

MEDICAL APPOINTMENTS

Thank you to those parent who try and keep medical appointments outside of school time. We know at times appointments in school time can't be helped, but please keep appointments to as close to 9am or 3pm as possible. Evidence of a medical appointment should be taken to the office.

I know that from time to time parents need to pass on some information to the class teachers either before school or after school. If you have been on the yard you will know that this is a very busy time for all involved.

If what you need to pass on will take more than a few seconds please ring the office to make an appointment to

Well done to all children with attendance percentage of 95% and above and especially the children who

received 100% for the last half term. Durham County Council guidelines stipulate that any attendance below 95% should be monitored by school and the educational welfare officer. Persistent latecomers are also monitored by the educational welfare officer. Please make every effort to have your child in school on time.

It is around this time of the year that people request time off for holidays. Head teachers can only authorise leave of absence in exceptional circumstances, and unfortunately having a holiday in term time because it is cheaper is not considered to be an exceptional circumstance.

Please bear this in mind when requesting time off, but please do let us know if your child is going to be absent.

234 Club

The 234 half yearly £1000 draw is fast approaching! Are you paid up? If anyone would like a number please see the school office. The school relies on this money to pay the 10% needed to the diocese for any building work
