"Let's get collecting."

We are currently collecting sainsburys active kids vouchers. Please give these to your child as we have a collection point in the school hall.

I know that from time to time parents need to pass on some information to the class teachers either before school or after school. If you have been on the yard you will know that this is a very busy time for all involved.
 If what you need to pass on will take more than a few seconds please ring the office to make an appointment to see the teacher. Thank you.

Well done to all children with attendance percentage of 95% and above and especially the 115 children who received 100% for the last half term.

Durham County Council guidelines stipulate that any attendance below 95% should be monitored by school and the educational welfare officer.

Persistent latecomers are also monitored by the educational welfare officer. Please make every effort to have your child in school on time.
