

Friday 3rd April

Good morning. Can you believe we are at the end of our second week? I hope you are all keeping safe and well.  
Don't forget, if you find any work a bit tricky, let me know or have a look at Year 2.

Maths

Flashback 4

The image shows two educational worksheets. The left worksheet is titled "free printables" and features a green monster with two eyes and two mouths. The top mouth says "is greater than", the bottom mouth says "is less than", and the bottom-most mouth says "is equal to". The right worksheet is titled "Flashback 4" and is for "Year 3 | Week 4 | Day 5". It contains four math problems: 1) Tilly has £4 and 30 p. She spends 50 p. How much money does Tilly have now? 2) If 3 cars have 12 wheels, how many wheels do 9 cars have? 3) Use <, > or = to compare.  $3 \times 7$  ○  $8 \times 3$  4) What is the value of the digit 4 in 342? A clock face is also present on the right worksheet.

Go onto times table rockstars today and Purple Mash Mathematics games.

Ask your grown up to give you a times table test. Choose the 3x, 4x or 8x. If you are not confident with these, recap your 2x, 5x and 10x. Some of you might want to challenge yourself to a different times table.

English

Spelling shed and reading.

Adam Bushnell is posting a live story at around 2.30pm. Go to his YouTube channel...

<https://www.youtube.com/channel/UC0MauzYgXgNrgyHWFB417gQ>

Has he asked you to do an activity? Perhaps you could have a go at doing that.

If you have been on spelling shed, you might want your grown up to give you a spelling test.

Don't forget your active time. Remember Joe Wicks is on at 9am.

Golden time. You choose something you would like to do. Do it with your family and spend some family time together.

Stay safe and well. Have a lovely weekend everyone.

Mrs Lambert
