

Monday 20th April

Hello Year 3. How are you? I hope you've all had a lovely Easter break and are ready to start your home learning. I am missing you all terribly but I know being at home is the safest place for you to be at the moment. Hopefully it won't be long before we can start returning to normal in some way.

I am in school Tuesday and Friday this week, so I will give you all a ring to see how you are getting on. Remember, home learning is very different from school learning, if you are unsure of anything at all, just get in touch with me on Google classroom.

This week I will be setting you maths and English from the BBC website as well as spellings on spelling shed. I would also like you to do some geography and RE.

Try to read every day and spend some time on Timestable Rockstars.

Okay, let's get started

Maths and English

For this week, I would like you to access the resources from the following link.

https://www.bbc.co.uk/bitesize/dailylessons?fbclid=IwAR3AALTS9g9QcAoR65G87N_uKLifXI40WZXvPDZXuIFLIZ2aWYgJ4odx3pg

Just look at the work for Monday. For English we are identifying nouns. There are 4 activities for you to do. You can do them all or just a couple. I would like everyone to do activity 4 and if you can take a picture and send it to me via Goggle classroom or email.

Maths we are recapping three-digit numbers. Have a go at the interactive activities then try the worksheet. I have put the worksheet into Google classroom for you. I have also added today's Flashback 4.

Geography.

You will need to do a little bit of research, so this might take you a couple of days.

Look at a map of the UK.

Recap the countries and capital cities of the UK.

Can you find the names **and counties** of the following around the UK:

The largest 2 cities in Scotland

The largest city in Wales

The largest city in Northern Ireland

The largest city in the South West of England

The largest city in East Anglia

A city on the River Tyne

A city east of the Pennines

A city on the River Trent.

If you can, make your own worksheet with the answers. E.g.

Names and locations of the major urban areas and cities of the UK

The largest 2 cities in Scotland are

The largest city in Wales is

Don't forget to do some active time. Go outside if it is a nice day or you could go on Super Movers. We love a bit of Super Movers.
