Your child's log in will be their first name and the initial of their surname followed by @stcuthbertsprimary.com

e.g. joeb@stcuthbertsprimary.com

Enter your password	
Show password	
Forgot password?	Next

Your child should know their password – if they are unsure try tree1234. If this doesn't work then contact your child's class teacher.

Select your child's class by clicking the green box. If this asks for a class code, check that you are logged in correctly to Google – sometimes if more than one user accesses a device, this can cause a conflict.
