

COLOUR RUN

Children will run through colour stations where pupils will be showered with coloured powder. We would advise wearing old clothes on this day in dark colours although if pupils want to show off their splatters then white t-shirts will show it up best. We can't guarantee it will wash out!

Families are welcome to spectate and can take their children straight home after their event or wait to watch older siblings.

If family are not spectating or if pupils have violin tuition (not Y3) and dance club please send a change of clothes to school.

Parent Support Group will be serving tea and coffee - please come along and cheer your child along. We will also be collecting towards our BIG WALK FOR LENT - please help us with our fundraising - you can also donate using the QR code below.
